

Intercultural Advisory Committee Report

The Intercultural Advisory Committee last met on January 12th. The following was discussed:

- The survey on Intercultural practices and Human Rights Education Initiatives at LBPSB schools has been approved by Administration, and is now awaiting approval by Council
- The results of the TTFM survey for bullying related issues were reviewed and discussed. We will try and look at results over several years.
- We are considering compiling a resource bank of presenters for schools/teachers.
- A sub-committee is working on revising the application form.
- The Aboriginal Day sub-committee has been meeting regularly and preparations are on track for hosting Aboriginal Day on April 12th
- The Web Site sub-committee has compiled a list of items for the web site.
- We are still trying to plan some activities for a Multicultural Day.
- We need to explore additional sources of funding
