- Aboriginal Day – Planned for April 12, 2017. Next Sub Committee Planning meeting was set for December 6 at LPHS.
- IAC Survey to determine what Inter-Cultural and Human Rights Education activities are being done in our schools is pending approval by Administration and Council.
- Web site – Sub Committee was setup to get this going
- Multicultural Day – We want to do this event this year. A Sub Committee was setup which was scheduled to meet on December 12th at Kingsdale Academy.
- We got a presentation on the new History Curriculum
- The Grant requests were reviewed and approved. We received requests from 24 schools, and the maximum allocation per school had to be reduced from \$500 to \$400. Requests from 23 schools were granted.

We need a bigger budget to better fulfil our mandate.

The next meeting is planned for January 12, 2017.
